

HABITS - Cracking the Code

How to stop a **BAD** habit: Make it difficult!

Example: To stop looking at bad things on your phone you can...

Block certain websites.

Set a certain time when your phone turns off.

Set certain places where you don't use your phone.

Put your phone in a phone jail (a locking box that has a timer).

Example: Avoid drunkenness

Don't keep alcohol in the house.

Don't pass a location that sells alcohol.

Don't keep that "extra" \$20 bill in your wallet.

Don't linger with people who are drinking.

* Fill the VOID - Replace a bad habit with a good one.

How to start a **NEW** habit: Pair it with an existing habit!

Example: Want to know the Bible better

If you have a habit of sitting down to eat breakfast. Read one section of the Bible during that time.

Listen to one chapter of the Bible on your commute before you listen to your favorite music.

Start talking about the Bible with people who love the Bible.

Example: Want to pray more.

Keep the weekly prayer list with you.

While on your daily walk, pray as you walk.

Example: Want to be more connected.

Call family while driving safely.

Include others in your hobbies.

When starting **Good** habits or stopping **Bad** habits...
the most important component is to keep trying.

Don't give up, seek advice, celebrate your progress, and never **EVER**
EVER quit trying to be more like Jesus.
